Please answer all these questions below before turning in your application. 1-2 word answers will not be sufficient.

How did you come to faith in Jesus Christ?

What is your life like after placing your faith in Jesus?

Why do you want to participate in this mission trip?

What are you hoping the Lord teaches you through this experience?

Mission Trips are meant for sharing the gospel with others and serving without complaining. Please share briefly below how you would share the gospel with someone.

We will be serving an inner city context, so I must be able to trust you and your maturity. Mission trip is not just a fun vacation, so I will be reviewing these applications and will make sure that you are a good fit for going on the mission trip with us.

I have to be able to rely on you, especially since we are going 8 hours away to Tennessee. Please only turn in this application if you feel as if you can contribute to the mission trip and that you are trustworthy to be who you need to be on this trip.

If you have questions about anything, please give me a call or talk with me.
