

Anomaly Students and Parents,

I am writing this letter to let you know the upcoming events for the next school year and to explain the fundraising system that will be in place. I understand that paying out of pocket for events can be burdensome to families. So, we are going to start working now to fundraise for upcoming youth events. Sometimes, we also have scholarships given to help out with costs.

For every fundraiser your student participates in, they will earn their proportionate share of the profits. For example, let's say we host a BBQ raising \$1,000 profit, and your student works 5 hours. If the total number of hours worked by all students was 50, then each student would earn \$20 per hour they worked.

I will keep track of the money that each student earns and will apply that money to events that the student wants to participate in. Students do not have to participate in these fundraisers, but I do want to give families the opportunity to lower the cost of being part of these spiritual milestone events at a reasonable cost. Here are the fundraisers we have planned for the Spring:

- **Valentine's Banquet Lunch** - February 11th @ Noon in the FLC
  - There will be a need to set up, cook, and decorate on Saturday the 10th.
  - There will be a need to cook, serve, and clean up on Sunday the 11th.
- **BBQ Fundraiser** - April 13th from 10 AM - 2 PM @ Boot's Parking Lot
  - There will be a need to help set up, serve, and hold signs on Saturday
- **Garage Sale** - May 11th from 7 AM - 2 PM in the FLC
  - There will be a need to set up and organize stuff on Thursday & Friday
  - There will be a need to help sell, carry out, and clean up on Saturday
